Whistler Accommodation Description:

Beautiful and spacious 2 bedroom townhome in Blackcomb Greens which is arguably one of the nicest complexes in Whistler. Located in the prestigious Benchlands, our 1100+ sf unit sits right on the Valley Trail and looks out on the Chateau Whistler Golf Course, which is also the cross country trail in winter. The living room has a river rock surround, wood burning fireplace and vaulted ceilings. There are two generous bedrooms, one with an ensuite and laundry, a bunk bed and queen bed. The other has a queen bed and a view of the trail and mountains. There is a pull out sofa bed in the living room for extra sleeping accommodation. The complex has an eight person hot tub in a garden setting, with washrooms and change rooms. This is a quiet complex which will give you a restful and idyllic environment for your perfect vacation. Everything is within walking distance or you can hop the free shuttle right outside the complex to the lifts or the Village. You can ski home on Home Run across the road at the end of the day. You will feel far enough away to forget there's anything but snow trees and mountains but you are minutes away from the most exciting ski resort on the continent. This is a great location for families or people who want some serenity. We love our Whistler home and are sure you will too.
